

# Oxivir Plus Spray

## Broad spectrum cleaner and disinfectant

### Description

Diversey Oxivir Plus Spray is a ready to use cleaner disinfectant for use on hard, nonporous surfaces, some soft furnishings and noninvasive medical devices.

### Key properties

- Bactericidal, Virucidal and Yeasticidal.
- Patented Hydrogen Peroxide based acidic formulation
- Short contact times
- Effective Cleaner
- Fragrance free

### Benefits

- Extensively tested against European norms and effective against multiple pathogens of concern, including HIV, HBV, HCV, Avian Influenza, Pseudomonas aeruginosa, Staphylococcus aureus, Salmonella enterica, MRSA, VRE and Norovirus
- Cleans and disinfects in one step, reducing working time
- Excellent cleaning performance, including descaling and lime limitation removes the need for a pre-cleaning step
- Good user safety profile, with no hazard warnings on RTU format; does not contain respiratory irritants
- AHP formulation is gentle on surfaces extending equipment life
- Good environmental profile. Active breaks down into oxygen and water
- Suitable for use in high risk areas in Healthcare, including OR, ICU, NICU and patient rooms

### Use instructions

#### Spray cleaning and disinfection:

1. Remove gross soils.
2. Apply to surfaces by either spraying the wiping cloth and wiping surfaces or applying directly to the surface through use of a trigger sprayer.
3. After the contact time, either wipe dry or allow to air dry.

#### Dosage:

Ready to use, no dilution required.
