#### Key properties

- Pleasant, trendy fine flowery fragrance
- Natural plant-based formulation with 99% natural based, ethically sourced sustainable ingredients
- Contains coconuts oil, cacao beans and olives, free of animal fats
- 100% micro plastics free, palm oil free formulation
- Dermatologically tested
- Can be used with LESSEAU® No-Touch & Manual dispenser with black and white color

#### Benefits

- LESSEAU® Hand wash foamy bar, with its all-encompassing rich formulation, impress your customers with a memorable experience they will want to share, creates differentiated 'wow factor'.
- Unique user experience: Finely ground solid hand wash bar provides an instant rich lather that is hygienically dispensed through a closed dispenser.
- Using one of the most sustainable solutions for the industry, because of the 99% natural ingredients, animal fats free, 100% micro plastics free .
- Reducing CO2 footprint: With no transport of water and plastic packaging, LESSEAU® takes more trucks off the road than any liquid hand wash refill, contributing towards your ESG goals.
- Zero plastic packaging: Allowing you to eliminate all hard-to-recycle, plastic packaging from hand wash.
- Zero hand wash waste: 100% of the solid hand wash refilled in the LESSEAU® dispenser is used compared to closed liquid hand wash dispensers where up to 25%\* of product can remain unused on disposal. \*Based on a study across 4 European countries, evaluating the average product left in liquid hand soap dispensers (closed hygienic systems) across a variety of market sectors

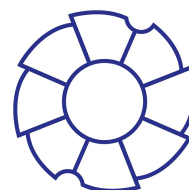

#### Use instructions

1. Wet your hands with water
2. Take the fine ground hand wash powder from the dispenser
3. Lather and wash thoroughly
4. Rinse off with water
5. Each bar supports 300 x hand washes when you use No-touch dispenser, 600 x hand washes when you use Manual dispensers
