

Carefree Stride 3000

Step 3 of your professional floor care system

Machine floor care

- High gloss cleaner
- Scrubber drier compatible
- Odourless

High gloss cleaner

Carefree Stride 3000 is a high gloss cleaner suitable for all types of sealed flooring. Its advanced blend of cleaners and polymers effectively removes both surface and impacted soilage whilst simultaneously building a deep gloss finish. This leaves floors looking professional and protected from daily traffic.

Scrubber drier compatible

The advanced low foam formula of Carefree Stride 3000 makes it scrubber drier compatible, ideal for cleaning and protecting large expansive floors. Carefree Stride 3000 is extremely versatile and can also be used for spray cleaning or in mop and bucket operation.

Odourless

Carefree Stride 3000 is odourless making it an excellent choice for any floor in a food or beverage environment where appearance is important. It's non-food tainting properties have been tested and validated at Campden Food & Drink Research Association.

Usage instructions

General soilage

For general cleaning dilute 1:140 with water into a machine tank of a scrubber drier. Scrub and wet vacuum with machine. Allow to dry thoroughly.

Clean and build shine

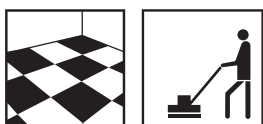

To clean and build a shine dilute 1:70 with water into a machine tank of a scrubber drier. Scrub and wet vacuum with machine. Allow to dry thoroughly. Buff with a suitable grade pad.

Mop and buff

For mop application dilute 1:20 with hot or cold water. With a well rung out mop, apply solution over entire floor surface and allow to dry. To build shine, buff with a rotary machine using a suitable grade pad.

Spray cleaning

For spray cleaning dilute 1:2 in a trigger spray. Apply a fine mist over approximately two square metres and buff using a rotary machine with suitable grade pad.
