

TASKI® Jontec 300

Low foaming, neutral floor cleaner

Description

Low foaming neutral cleaner for all water-resistant hard floors. Can be used for both manual and machine applications. Ideal in scrubber driers for coated floors.

Benefits

- Suitable for all types of water resistant hard floors
- Economical cleaning through effective performance at low dosages
- Fast drying time without streaks
- Contains Odour Neutralising Technology which destroys malodour molecules, leaving a long lasting, fresh fragrance
- Ideal for scrubber driers: low foaming for fast solution pick-up and optimal recovery tank use
- Also suitable for spray cleaning with single disc machines and manual cleaning with a suitable wet mopping system

Use instructions and dosage

Dosage

- **Minimum dosage:** 50 ml for 10L solution (0.5%/1:200)
Increase concentration up to 5% for heavy soiling
- **Spray cleaning:** 25 ml per 500 ml (5%/1:20)
- **Scrubber driers:** Use 100-200ml for 10L solution (1-2%)

Application

Wet mopping:

- Dose the product into a bucket filled with water, apply the solution, allow to act if necessary, and remove the soiled solution.

Spray cleaning:

- Dose the product into a labelled trigger spray filled with water, apply to a small area and work over area with a red pad, fitted under a single disc machine.

Scrubber drier:

- Dose the product into the full water tank, apply the solution, scrub and remove the soiled solution. For heavy soils allow contact time.

Important: Do not use on water sensitive floors, e.g. unsealed wood and cork.

TASKI® Jontec 300

Technical data

Appearance	Clear, green liquid	pH-value neat	8.5 - 9.0
Relative density (20°C)	1.0	pH-value in use	7.2 ±0.5 at 1% dilution

The above data is typical of normal production and should not be taken as a specification. The surfactants used in this product are biodegradable in compliance with the requirement of EC Directives 73/404/EEC and 73/405/EEC and their subsequent amendments.

Product	Pack size	Article code
Jontec 300	1 x 6 L	7512923
Jontec 300	2 x 5 L	7512925

Safe handling

Full guidance on the handling and disposal of this product is provided in a separate Safety Data Sheet. Only for professional users/specialists.

Storage information

Store in original closed containers away from extremes of temperature.
