

Diversey™

suma® Bac conc

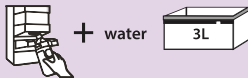

D10

Detergent Disinfectant Concentrate

1 x dose

2 x dose

1. Spray: 1 dose in 750ml water.
Bucket: 2 doses in 3L water.
2. Apply product solution onto surface.
3. Remove soiling with damp cloth / scourer.
4. Reapply and leave for 30 seconds.
5. Wipe surface, rinse and allow to dry.

Use only through the Divermite dispenser.
Production date: see print on outer (YYMMDD).
Expiry date: 2 years after production.

See product information sheet for additional information. **For Professional use only.**

After use, rinse your hands and dry them thoroughly. As for all detergents, if you have damaged or sensitive skin, avoid prolonged contact with the neat product and washing solution.

Ensure gloves are in good condition, clean and dry. The use of a reconditioning cream such as DermaSoft is recommended after work.
