

Good Sense Breakdown

Bacteria-fortified odour eliminator

Features

Formulated with natural enzyme cultures, odour counteractants, and a pleasant fresh fragrance, Good Sense Breakdown handles odour problems with ease.

Key properties

- Formulated with natural enzyme cultures, odour counteractants
- Dual-action bacteria and odour counteractants eliminate odours at their source, e.g. eliminates odours in grouted washroom tiles
- Unique, patented Odour Neutralizing Technology (O.N.T.) for malodour neutralization
- Long-lasting pleasant fragrance

Benefits

- Great odour eliminator for washroom, plumbing pipes, grease traps, and other areas
- Excellent air deodorizing with ease
- O.N.T. neutralizes malodour molecules enhancing the perfume effect

Use instructions

Dosage: Good Sense Breakdown is available in a 5 L pack and it is dosed manually (standard concentrate). Proper dosage saves costs and minimizes environmental impact.

Use Good Sense Breakdown for neutralising and deodorizing all organic odours and carpet stains. Also use for deodorizing washroom, plumbing pipes, grease traps, and other areas.

General deodorizing: 150ml / 5L (3%).

Washroom: 250ml / 5L (5%). Apply around urinals, toilets, on floors and in bins.

Plumbing pipes: Ready to use. Apply undiluted. Pour 100 ml of Good Sense Breakdown into drain pipes 2 times per week when drain flow is lowest.

Grease traps: Ready to use. Apply undiluted. Daily, pour 200- 500 ml of Good Sense Breakdown into drain depending on build-up.

Carpet odours/stains: Spotting: Ready to use. Apply undiluted. Test carpet for colour fastness. Follow good spotting procedures. Re-apply Good Sense Breakdown. Let stand 20 minutes. Rinse.

General carpet cleaning: 78 ml / 5L (1,6%) with diluted cleaning solution.

Add to most cleaning solutions: 78 ml / 5L (1,6%). Clean and deodorize in one step. Do not add to hot water, disinfectants, or bleach.

Good Sense Breakdown

Technical data			
pH value neat	10,4	Fragrance	Fresh
pH value in use	10,4	Foam properties	Moderate
Colour	Red liquid	Stability	At least 2 years when stored at room temperature
Relative density (20 °C)	1.00 g/cm ³	Freeze/thaw stability	Protect from freezing

The above data is typical of normal production and should not be taken as a specification.

Product	Pack size	Article code
Good Sense Breakdown	2 x 5 L	7516770

Good Sense BreakDown corresponding spray bottle is also available.

Safe handling

Full guidance on the handling and disposal of this product is provided in a separate Safety Data Sheet (SDS). sds.diversey.com/

Storage information

Store in original closed containers away from extremes of temperature.

Product compatibility

Keep from freezing. Do not add to hot water, disinfectants or bleach. Test material compatibility in a small, inconspicuous place before use.

Environmental information

The surfactants used in this product are biodegradable in compliance with the requirement of EU Detergent Regulation, EC 648/2004.
