# FLOOD BARRIER

## FEATURES:

- ▶ Made in the UK from OSMO's Super Absorbent Polymers
- ▶ Once inflated, forms a resilient, leak-proof, water-tight barrier against most surfaces
- ▶ Inflates in minutes
- ▶ Multi-lingual retail pack (en / fr / de / it / es)

## BENEFITS:

- ▶ For long term flooding or temporary flash floods
- ▶ Lightweight, quick and ready-filled
- ▶ Compact and easy to store when not in use & easy to unroll in an emergency
- ▶ Can safely and conveniently control and divert the flow of water away.
- ▶ The inflated product can be used in situ for several weeks retaining it's ability to act as a barrier
- ▶ Can be stacked for added height or curved round obstacles
- ▶ Protects door thresholds. Great for driveways and gateways
