

Carefree Stride 2000

Step 3 of your professional floor care system

Heavy duty cleaning

- Alkaline low foam detergent
- Scrubber drier compatible
- Non-fragranced, non-tainting

Alkaline low foam detergent

Carefree Stride 2000 is a powerful alkaline detergent for heavy duty cleaning of water resistant unpolished floors. Extremely efficient at removing impacted dirt and grease, it will clean and improve the appearance of any concrete, asphalt or synthetic floor. Not suitable for wood.

Scrubber drier compatible

Specifically designed for use with scrubber driers, Carefree Stride 2000 is machine safe and low foaming for regular use. It is the ideal choice for cleaning any industrial premise such as warehouses where large expansive flooring is exposed to high levels of traffic and soilage. Carefree Stride 2000 will keep floors cleaner and looking good for longer.

Non-fragranced

Carefree Stride 2000 is not only a powerful cleaner but is also non fragranced making it suitable for production lines, bakeries and other food environments. It's odourless and non tainting properties have been researched and validated at Campden Food & Drink Research Association.

Usage instructions

General soilage

Dilute 1 part of Carefree Stride 2000 with 40 to 80 parts of water in the scrubber drier machine tank. Using the scrubber drier, simultaneously scrub the floor clean and wet vacuum the area to remove slurry. Allow the floor to dry thoroughly.

Heavy soilage and grease

Dilute 1 part of Carefree Stride 2000 to 20 parts of water in the machine tank. Using the scrubber drier apply cleaning solution to floor and leave for 5 minutes to allow sufficient contact time to break up impacted grease. Machine scrub and wet vacuum the area removing all slurry. Allow to dry thoroughly.

Carefree Stride 2000

Technical data

Appearance	Yellow coloured liquid	pH	8.5
------------	------------------------	----	-----

The above data is typical of normal production and should not be taken as a specification.

Dilution rates

General soilage	1:40 - 1:80 parts water	Heavy soilage	1:20 parts water
-----------------	-------------------------	---------------	------------------

Product	Pack size	Cases per layer	Cases per pallet	Article code
Carefree Stride 2000	2 x 5 L	20	60	454510

Safe handling and storage information

Keep from freezing. Do not use at temperatures below 10°C.
