**Jontec 300 Pur-Eco**

## Neutral floor cleaner, low foaming

### Description

Low foaming neutral cleaner for all water-resistant hard floors. The product can be used with all cleaning methods on all types of water resistant floors. Ideal in scrubber driers for coated floors.

### Key properties

- pH-neutral
- No residues on the floor and no build-up
- Low foaming
- Effective cleaning at very low dosage
- Fresh fragrance
- Fulfills the criteria of the EU Ecolabel scheme

### Benefits

- Safe to use on all water resistant floors
- No grey or “greasy” floors
- Suitable for all cleaning methods including scrubber driers, single disc machines, mop and bucket cleaning as well as for impregnating textiles in the washing machine
- Good degreasing properties at minimum dosage to save costs and minimise the impact to the environment

### Use instructions

#### Dosage:

TASKI Jontec 300 Pur-Eco is available in various pack sizes and is either dosed manually (standard concentrate) or through one of our dosing and dispensing systems (SmartDose™, J-Flex®, QuattroSelect®, IntelliDose™). For detailed information regarding the specific dosing equipment, please refer to the Technical Data table. Proper dosage saves costs and minimises environmental impact.

### Application

- Wet mopping: Dose the product into a bucket filled with water, apply the solution and remove the soiled solution.
- Spray cleaning: Dose the product into a labeled trigger spray filled with water, apply to a small area and work over area with a red pad, fitted under a single disc machine.
- Scrubber drier: Dose the product into the full water tank, apply the solution, scrub and remove the soiled solution. For heavy soils allow contact time.

EU Ecolabel : DK/020/006

### Safe handling and storage information

Full guidance on the handling and disposal of this product is provided in a separate Safety Data Sheet (SDS).

<https://sds.diversey.com/>

Only for professional users/specialists.

Store in original closed containers away from extremes of temperature.

### Product compatibility

Do not use on water sensitive floors, e.g. unsealed wood and cork.

### Environmental information

TASKI Jontec 300 Pur-Eco was awarded the license (DK/020/006) fulfilling the EU-Ecolabel criteria as an environmentally friendly product. Use correct dosage and lowest recommended temperature, to minimize environmental impact. The surfactants used in this product are biodegradable in compliance with the requirement of EU Detergent Regulation, EC 648/2004.
