Safe handling and storage information

Full guidance on the handling and disposal of this product is provided in a separate Safety Data Sheet (SDS).

<https://sds.diversey.com/>

Store in original closed containers away from extremes of temperature.

Product compatibility

Keep container closed to prevent perfume diffusion. Do not use on epoxy resin or stone carpet. Do not spray in the air for deodorising.

Test material compatibility on a small, inconspicuous place before use.

Environmental information

The surfactants used in this product are biodegradable in compliance with the requirement of EU Detergent Regulation, EC 648/2004.

Actual dosages depend on site conditions (water hardness, degree of soiling, procedures).

The above data is typical of production and should not be taken as specification. For manual dosing of 1 L and 5 L products, corresponding dispenser pumps are available.
