Using...

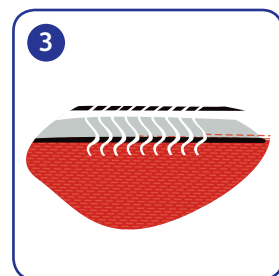

Dilute:  
500 ml  
into 5 L of  
warm water.  
Pour into  
solution tank.

Vacuum  
carpet.

Pre-spray  
any stains,  
marks and  
traffic lanes  
with  
Enhance  
Spot & Stain  
Remover.

Work the foam  
shampoo into the  
carpet then allow  
to dry. The drying  
process absorbs  
the dirt and forms  
a barrier.

Vacuum the  
carpet to remove  
the dried foam.
