Why Buy 220NX

NUCLEAN COMPACT 220

The 220NX delivers the performance of much larger scrubber dryers in an ultra-compact package. Accessing areas currently cleaned by mopping alone, bringing improved cleaning results and saving on labour costs.

Made for tough commercial use, the 220NX is rigorously tested to exceed our customers demands. Our tests consistently show unrivalled, industry-leading cleaning results, time after time.

With an ultra-compact cleaning width of 220mm and total manoeuvrability, the 220NX can turn 360 degrees in any direction, on a single point.

Reaching into those hard-to-reach, congested areas that bigger machines cannot go for increased cleaning access.

Achieve spotless, dry and safe floors in minutes, consistently outperforming competitors drying times.

Key Features & Benefits

One-Pass Performance

One-pass cleaning performance is achieved by applying brush pressure and a powerful drive motor with the right amount of water in the right place.

Small Size Big Payback

Switching to a 220NX for just 30 minutes a day instead of mopping makes big savings, returning the total machine cost in under 1 year.*¹

Compact, Agile & Manoeuvrable

With an ultra-compact cleaning width of 220mm and total manoeuvrability, the 220NX can turn 360 degrees in any direction, on a single point.

Reaching into those hard-to-reach, congested areas that bigger machines cannot go for increased cleaning access.

Easy Cleaning Park-Up Mode

"Park-Up" feature allows users to quickly park-up to move obstacles or carry out other cleaning tasks.

3-Year Warranty

Backed by a rock-solid 3-year warranty, guaranteeing dependable performance and long-term reliability, clean after clean.

Enhanced Sustainability

Leading sustainability with the use of ReFlo recycled plastics, saving over 5000L of water, reducing chemical usage by 80%, and lowering energy consumption. The 220NX is made using a minimum 30% recycled plastic content, including accessories.*²

One Fits All Productivity

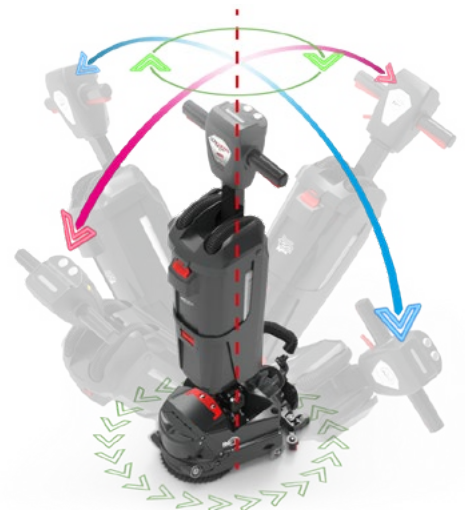

The NX300 Pro Cordless Network brings the convenience and performance of professional cordless cleaning across our growing interchangeable battery range.

*¹ Payback based on 300m² area clean, 7 days p/w, labour £11.44p/h VS wet mopping.

*² 30% represents the minimum use of recycled plastic content in 220NX, including accessories, excluding NX300 charger.

Total Manoeuvrability
Turn 360 degrees, in any direction, on a single point
