

Carefree Stride 1000

Step 3 of your professional floor care system

Machine floor cleaning

- Neutral detergent
- Low foaming
- Non fragranced

Neutral detergent

Carefree Stride 1000 is a neutral floor cleaner suitable for the daily cleaning of polished and unpolished floors. The strong detergent component means dirt and grease is efficiently removed from all types of hard floor. Suitable for cleaning terrazo, vinyl, synthetic, marble, sealed wood and sealed cork floors.

Low foaming

The advanced Carefree Stride 1000 formulation is low foaming and ideal to use with scrubber drier machines. It's fast cleaning action improves floor appearance first time making it a great choice for extensive floor areas such as retail outlets, airports and hospitals.

Non fragranced

Carefree Stride 1000 is an odourless neutral cleaner suitable for use in food and catering environments. Independent investigation at Campden Food & Drink Research Association confirmed Carefree Stride 1000 possesses unique non food tainting properties ideal for floor cleaning in any food, drink or other fragrance sensitive industry.

Usage instructions

General soilage

Dilute 1 part of Carefree Stride 1000 with 80 parts of water in the scrubber drier tank. Used in conjunction with a scrubber drier, dirt and grime is quickly lifted out of the floor and then removed by wet vacuum. Allow the floor to dry completely.

Heavy soilage

Dilute 1 part of Carefree Stride 1000 with 40 parts of water in the scrubber drier tank. Significant soilage will be lifted off the floor on the first pass using the machine but badly soiled areas may require a double scrub to reach desired level of appearance. Allow the floor to dry completely.

Carefree Stride 1000
